Survey about Adult Change Facilities

Tell us where accessible toilets are needed in the Moreton Bay Region

About the survey

Moreton Bay Regional Council wants to build better toilets for people with disability.

We want to build **Adult Change Facilities**.

Adult Change Facilities are large toilets which are accessible to people with disability and who need carers.

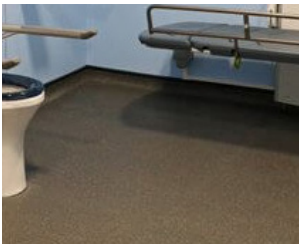

Adult Change Facilities have:

A change table for adults

A hoist

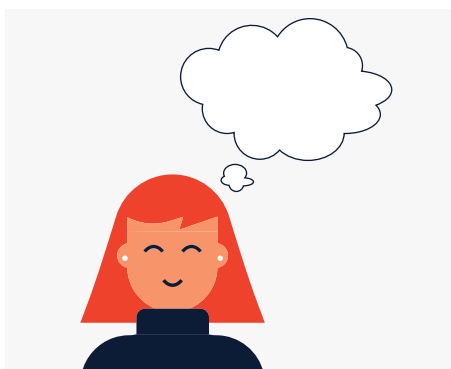

Non-slip floor

Extra space for people using a wheelchair

Extra space for carers

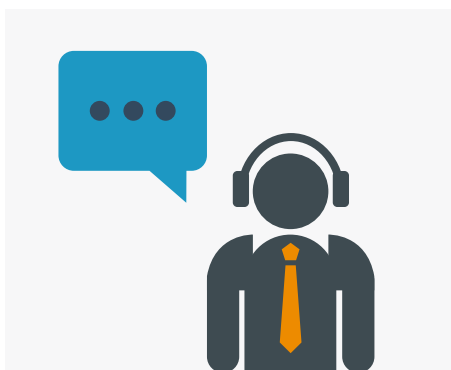

We want to know where we should put new Adult Change Facilities in the Moreton Bay Region.

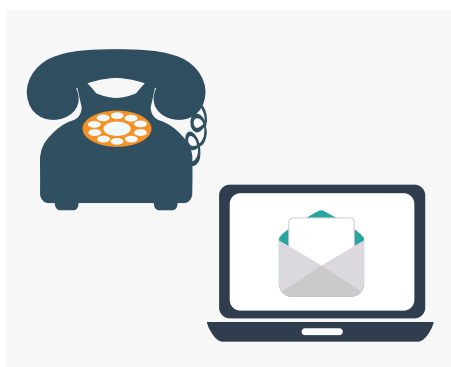

We want you to fill out this survey.

A survey is a list of questions to find out what you think.

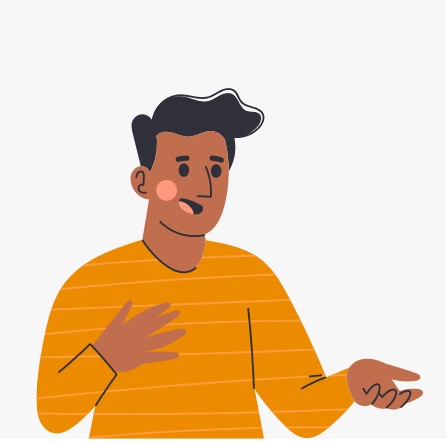

Contact the Access and Inclusion Team at Moreton Bay Regional Council if you need help with the survey.
