

PUBLIC NOTICE

Proposed Local Government Infrastructure Plan (LGIP) Amendment No. 2

In accordance with the requirements of section 21 of the *Planning Act 2016* and Chapter 5, Part 3, section 11 and Schedule 4 of the *Minister's Guidelines and Rules Version 3.0*, City of Moreton Bay provides notice of public consultation on the "*Proposed Local Government Infrastructure Plan (LGIP) Amendment No.2*", being a proposed LGIP amendment to the Moreton Bay Regional Council Planning Scheme Version 7, effective from 30 October 2024.

The proposed amendment seeks to amend the Moreton Bay Regional Council Planning Scheme to bring the LGIP, schedules of works and plans for trunk infrastructure mapping up to date with the most recent trunk infrastructure network planning. The proposed amendment will provide clarity and a contemporary basis for decision making for Council, landowners and developers in relation to the intended delivery of trunk infrastructure.

The purpose and general effect of the proposed amendment is to:

- Reflect Council's commitment to maintain the planning scheme as a "living document" for its 10-year projected life, specifically the LGIP component which is required by legislation to be reviewed every 5- years;
- Integrate trunk infrastructure network planning undertaken since December 2021;
- Implement Council's resolution of 29 June 2022 to make a LGIP amendment following the outcomes of the 2022 LGIP review;
- Support the operational efficiency of the planning scheme and currency of the associated infrastructure planning regime;
- Ensure all projects proposed to be newly included, or amended, are financially sustainable and align with the Council's Long Term Financial Forecast; and
- Reflect any State Government requirements for LGIPs.

Public Consultation Period

The consultation period, during which submissions may be made, for the "*Proposed Local Government Infrastructure Plan (LGIP) Amendment No.2*" is from the 20 June 2025 to 25 July 2025.
